

Life Resort Danang to debut in March

By Nhan Tam

The Saigon Times Daily

HCMC - Life Resort Danang owner Hoang Tra Travel and Trading Co. and Life Resorts Management yesterday announced that the 187-room resort on Bac My An Beach would open on March 20.

The resort will include nine categories of accommodation, from 67 superior rooms and 91 deluxe rooms to suites and villas and one grand presidential suite. The resort

will also feature the 1,400 square-meter Nang Spa with ten treatment rooms, a fitness center, tennis courts, a pool, conference facilities and several food and beverage outlets, including the 300-seat Senses. "Although we're opening a resort on the beach, this region's appeal extends far beyond the strand (coast) to the new golf courses, to the Marble Mountains just a few kilometers up the road, to the nearby UNESCO World Heritage Sites at Hoi An, Hue and My Son," said Chris Duffy, gen-

eral director of Life Resorts.

"We reviewed many potential international operators at the five-star level," said Nguyen Thi Tuy Van, general director of Hoang Tra Travel and Trading Co. Ltd. "But Life Resorts, with its history of success in Vietnam, its sense of style and its plan, made more sense than any other."

This will be the fourth Life Resort facility in Vietnam after Hoi An, Quy Nhon and Mui Ne. The Life Resort Halong will open next year.
